# UCF First Day Program

## Why Connect?

Connect is your personalized digital learning platform that makes studying and getting work done easier and more convenient than ever.

Maximize your study time with a personalized learning path.

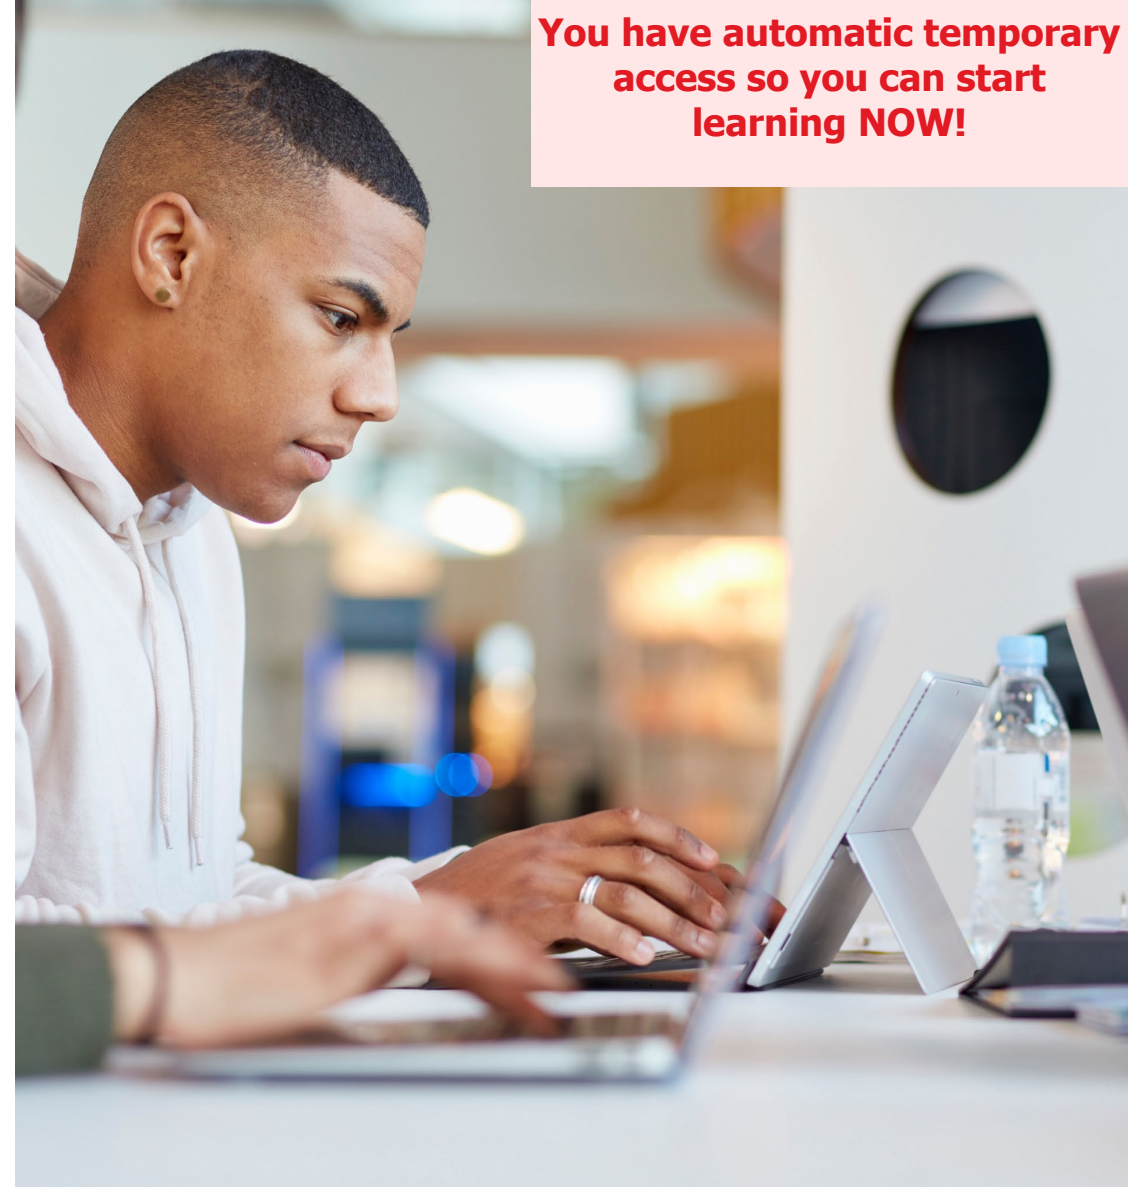

Save time – access assignments & learning tools in one place.

Achieve better grades & track your progress.

Learn online or offline, anytime, anywhere.

**You have automatic temporary access so you can start learning NOW!**

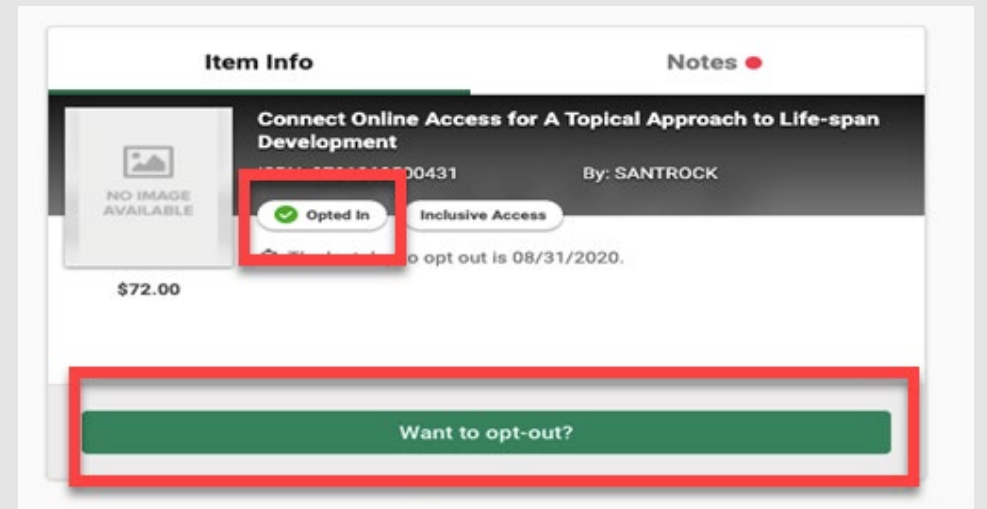

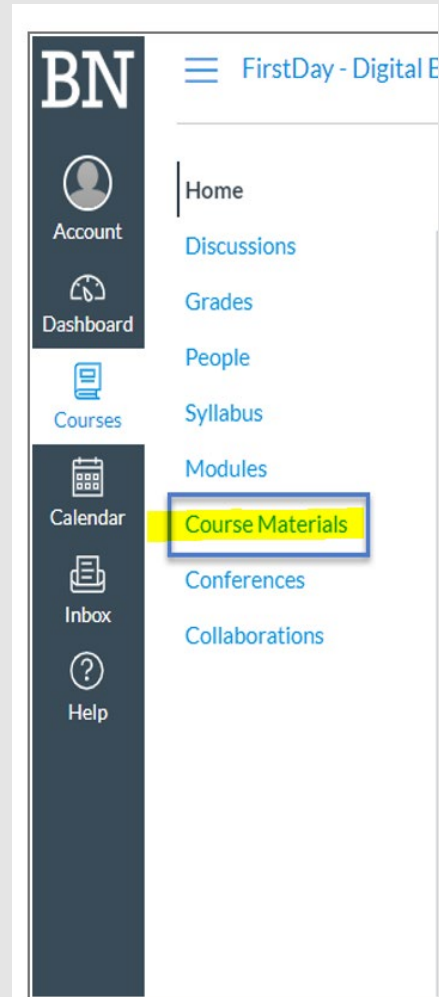

## How to get the best deal on your required course materials and ensure you maintain access through the entire term:

### 2 Steps:

1. You must **opt in** for course materials for each course by the opt in deadline noted in your syllabus. Opting in for one course does not give you access to course materials for any other course. Do so via the **Course Materials tab** in **Webcourses**.
2. After you opt in, you must register for your courseware (Connect) within your Webcourses course shell for each course. You must register in Connect to access your eBook, assignments and assessments.

How to Opt In so that I do not lose access to my required course materials

## How Do I Know I Have Successfully Opted In?

- For **each** course participating in First Day: You will see the green check mark next to the course materials listing
- You will receive an email from the UCF Bookstore confirming that you have successfully opted in for that particular course.
- Your student account will be charged for your discounted course materials a few days after the opt-in deadline.
- You will need to pay for this charge just as you do your tuition, fees, etc. Applicable financial aid funds will be automatically applied by the UCF Financial Aid Dept.
- The charge will automatically be deleted from your account if you drop this class during the add/drop period.

# OPT IN HELP

## Reach out to the UCF Bookstore in one of three ways:

- Online:  
<https://tinyurl.com/customercarerequest>
- Email:  
[bookstorecustomercare@bncollege.com](mailto:bookstorecustomercare@bncollege.com)
- Phone: 1-844-9-EBOOKS (1-844-932-6657)

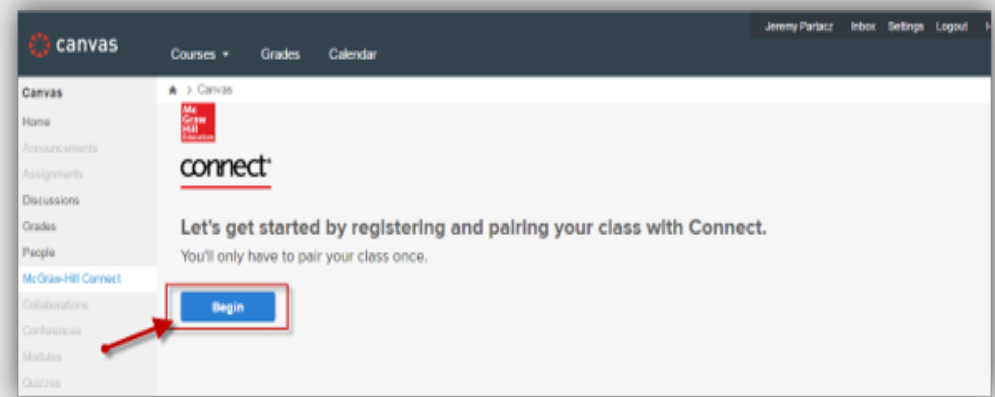

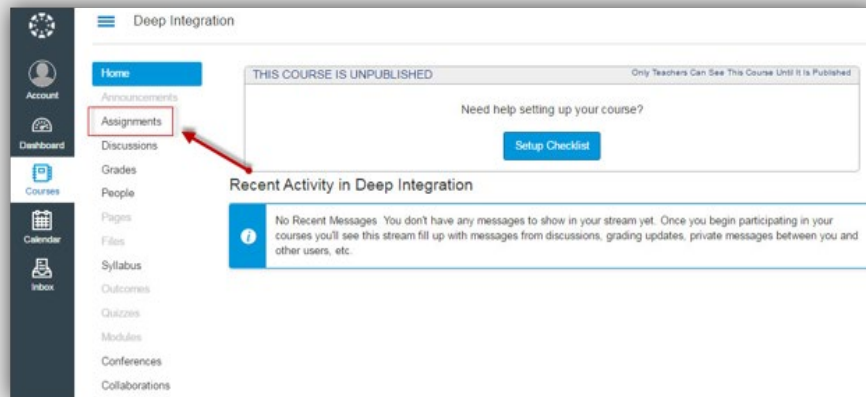

## IMPORTANT:

If you do not opt in for your courseware via the McGraw Hill Connect live link in your Webcourses course shell before the opt in deadline in your syllabus, you will lose the temporary access to your course materials when the courtesy access expires. You will then need to purchase your course materials another way, either directly from McGraw Hill by upgrading to paid access when prompted in Connect, or from the UCF Bookstore. Both options will be at a higher rate than the opt in/First Day price.
